

ST. ANDRÉ
HEALTH CARE

Mission Statement

We answer God's call to promote a high quality, compassionate health care community where all people flourish.

Value Statements

Spirituality

We believe spirituality is consciously living an authentic life, which nourishes the soul and allows us to transcend all differences.

Respect

We believe respect is foundational and requires that we treat each other justly and with dignity, compassion and kindness.

Joy

We believe joy is found in an environment that celebrates a purposeful, meaningful and happy life.

Innovation

We believe innovation allows us to advance new ideas and learn from all of our experiences.

Collaboration

We recognize our success and wellbeing depend on mutual reliance in a collaborative community, which allows us to move toward greater harmony and growth.

Vision Statement

A spirited and innovative care environment valuing compassion and community.
