A Spirited and Innovative Care Community

Founded by The Good Shepard Sisters of Quebec in 1940, our care is inspired by our promise to help each resident achieve and maintain their highest level of physical, psychosocial and spiritual well-being in an atmosphere inspired by the Montessori approach to care. St. André Health Care residents and our mission are at the center of everything we do. Beyond providing rehabilitative short-term therapies, memory care and long-term nursing care, our compassionate and caring nursing and spiritual care teams offer opportunities for residents to live engaging, full lives. Exceptional medical care, experienced caring staff and a warm, enriching environment set us apart.

Come experience our difference.

We are a 96-bed care ministry in Biddeford, Maine, and have long been a trusted provider for families seeking a range of care including rehabilitation, short-term respite and long-term nursing, as well as memory, palliative and hospice care. Our community delivers exceptional care with whole-hearted compassion by combining today's most innovative practices and therapies with respect for each person's dignity.

We're also recognized for customized care paths in pulmonology, neurology and joint replacement rehabilitation.

Rely on us when you need us the most.
